

## Bio for Sabrina Jeffries

At the tender age of twelve, Sabrina Jeffries decided she wanted to be a romance writer. It took her eighteen more years to get there, during which she took a detour to get her Ph.D. in English Literature from Tulane University, but once she got the chance to write romances, she never looked back. Now her sexy and humorous Regency-set historicals routinely land on the *USA Today* and *New York Times* bestseller lists and have won several awards, from the Booksellers' Best to the Maggie. Her 25th novel, *Beware a Scot's Revenge*, is part of her new School for Heiresses series, featuring the spirited graduates of Mrs. Harris's School for Young Ladies, unconventional heiresses who prove a match for society's most irresistible rogues. She lives in North Carolina with her husband and son, where she writes full-time.
